Jackie Bell

Crowning of Suzi

Gar-Field 1981 Queen Suzi Puletz has been very active during her high school years at Gar-Field. Suzi has been in Cheerleading for four years. She served as captain of the Cheerleaders. Her senior year she was involved in Signet, National Honor Society, and D.E. Suzi plans on going to college and majoring in business. Last 1980 Suzi's sister Michelle Puletz had received the honor of being Gar-Field's Queen. She is now attending Northern Virginia Community College.

The *Big Day* . . .

What day is probably the most important and anticipated day of one's whole school career? . . . First day of kindergarten, . . . last day of your freshman year . . . well maybe those, too, but GRADUATION has got to top them all. In the graduating class last year 688 people experienced this ultimate thrill, and left with diploma in hand to conquer the real world.

and the *Big Dance*!

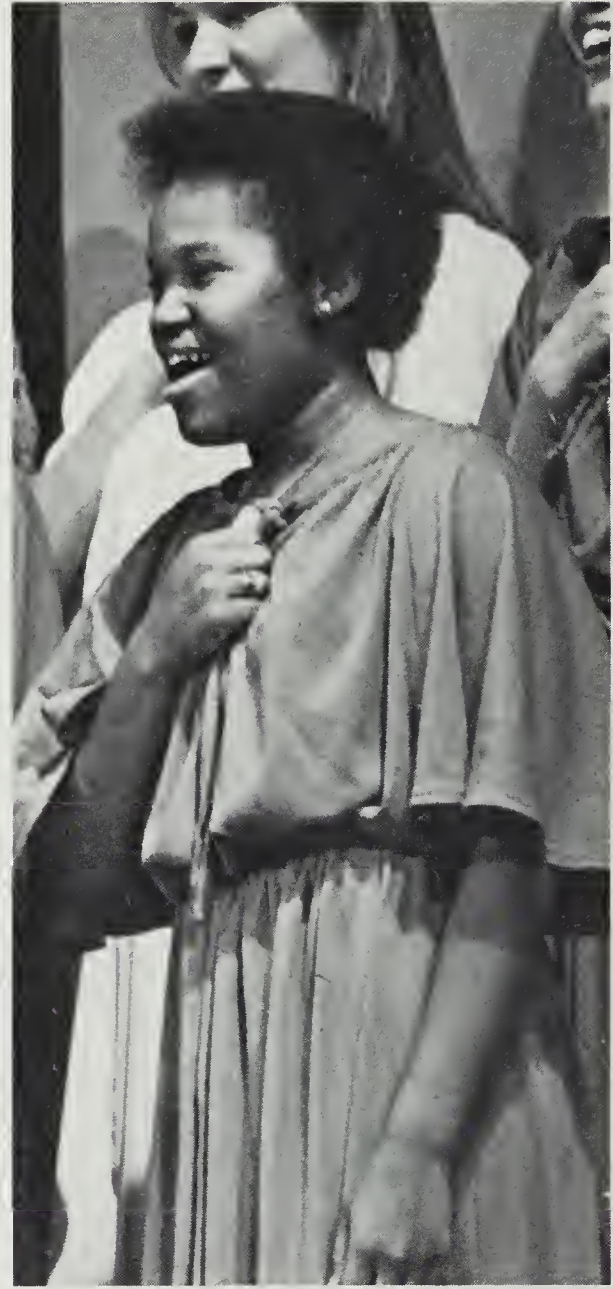

Set: Stouffers International Hotel
Time: June 12, 1980, 8:00 pm-1:00 am
Directors: Mrs. Zophy and Mrs. Fansler
Producers: Junior Class

Plot: It is nearing the end of another school year in a lovely high school 26 miles outside Washington. After much hard work the Junior class was able to raise enough money to give a fantastic Prom (see included pictures, notice happy smiles) at a really ritzy hotel (see building at left).

“Choralers” Put on a Show!!

Ah . . . What a Show

Prince William's Junior Miss Pageant

Keep smiling . . . c'mon smile, stand up straight, this is the dance number . . . speak clearly for the judges . . . SMILE" . . . These are the words that can be heard backstage at the Junior Miss contest held at Gar-Field last year. Sheralee Shera of Osbourn Park obviously did something right because by 10 o'clock September 20 she was wearing the Prince William County crown and sash. Participants from Gar-Field did not win but Suzi Puletz, Becky Boutwell, Margerette Cephus, Beth Walvius, Tish Mahle, Nicola Peoples and Caris Erickson still enjoyed the experience.

Second Play: “You Can’t

Big Success Take It With You"

South Pacific was such a rousing success the Drama Club decided to try their luck again, this time with a three-act comedy, "You Can't Take It With You." It had a 23-member cast and with Mr. Larry Sheppard and Mrs. Carmeletta Combs in the directors' chairs it too was considered to be a smashing success for the club.

The play centered around a household of seemingly lunatics. Each member had an unusual hobby, everything from collecting snakes to building fireworks in the basement. Although this family was unusual (maybe even strange) they still had one important thing — the secret to happiness.

Organizations a Needed

Give Gar-Field Facelift

The evaluators are coming, the evaluators are coming! Oh what shall we do? Mrs. Ann Lockett, Orange sub-school principal had the answer. She asked each club in the school to perform some beautification project and thus Beautification Week was born. Projects included planting trees and bushes, painting everything from bathrooms to dugouts and making organizational bulletin boards. The projects definitely helped Gar-Field get accredited for another ten years.

The G-F J.V. Baseball team once again attained a high level of success in the Commonwealth District. By beating Woodbridge in the season's final, the Indians took over 1st place. Most valuable player went to Steve Hargrave for his fine pitching performance throughout the season. The Indians hitting attack was led by Tim Arbisi, Jim Farrington, John Venti, and Mike Adams who hit well over .300 for the year. The J.V. team will help next year. 12 out of 15 will be Juniors.

Outstanding player is Rose Canada Pitcher and to the successful hitting from Christy Simpson, Donna Hapner and Tammy Gallihugh.

Steve Brown and John Litwin led the team in scoring with 9 and 8 goals respectively. Kendall Ferguson won the Most Valuable Player award.

The team graduated only three players and is looking forward to a successful 1981 season.

Although the team record might not show much, this girls soccer team was hard working at everything they did. This is only the second year for the team and is still building for the best team in state. Seeing there was only one senior leaving, Jenise Koziol who was captain, should leave a strong team. Co-captain was Diane Ottinger and high scorer was Laurie LaCava.

The 1980 track season was highlighted by our second place finish in the (AAA) state track meet. Leading us to the state meet the team won the prestigious Volunteer Track Classic in Knoxville, Tenn. Upon returning home we captured the commonwealth District and N.W. Regional Track Championship. In terms of our showing in big meet competition this was by far the best year we have ever had. In dual meet competition the Indians were undefeated (6-0). Individual performances were highlighted at the state meet with Joe Miller and Tommy Mason setting records in their respective events. Joe established a new

school record in the 400 and 200 meter sprint. Joe's 47.1 was good enough to make him state champion. In the 200 meter Joe's time of 21.3 established a new school record. Tommy Mason set a new school record in the 300 meter, with a time of 38.0. In the field events Tom Mehr set a new school record in the shot with a toss of 56'7". The 1981 season should be an exciting one for G-F in that we only graduated 8 of the team. The loss of co-captains Lance Sherrill and Conrad Stronko will be felt, but with seniors like Mason, Mehr, Kepano, Lovelace, Pope, and McCormick, the team should dominate again.

Hercules Talastas, the squads Most Valuable Player, Giles Kyser, Mark Todd and Randy Bergsma all combined for a district singles record of 23 wins and 1 loss which proved to be the reason for an undefeated district record.

Tom Pishock was our most consistent golfer shooting 80 or over only twice through the entire season. We set our goals at going to the Regionals as a team and we did it, so our next goal was to make it to state which we did by finishing first in the Regional Tourney in Charlottesville. Keith Bjorklund should continue to be one of our mainstays again this year.

There were many outstanding players like Leo Maruschak, Tom Mehr, Tony Kepano, Mike Radovich, and an outstanding job at quarterback by John Dangerfield. This was a very good year for everyone on the team, and next year we are looking for the same kind of performance if not better.

"Gar-Field is one of the better schools that a student could attend because it is constantly developing and improving," says three year principal Mr. Phillip Gainous.

Laughing, he adds, "and I don't think that just because I'm the principal." He acknowledges the administrative and teaching staff as very capable.

He also feels positively about the students here. "They are just super!" He thinks they have more self pride and educational concern than any other schools he's been at, which includes Kramer Junior High, Coolidge and Wakefield High School.

Media Center

“Closes”

Although complaints about the overcrowding of the new hall have been numerous, Librarian Mrs. Vilma Templeton feels that the number of students who enjoy the new larger media center overrides those complaints by far. Walling in the library has benefited students and teachers who use the library by reducing hallway distractions.

The additional media rooms that presently accomodate social studies classes will become part of the library. When this happens teachers will be able to reserve enclosed

rooms for class research assignments rather than just “set-off” areas of the library itself.

The major benefit of the closed in library is that book theft will decline greatly. At the close of the 1976-77 school year, 3,308 books had vanished. By simply arranging the bookshelves in a wall-like fashion, prior to the 1978-79 school year, the number of missing books was reduced to 1,920.

The future of Gar-Field’s media center looks optimistic and all because it is “closed.”

The yearbook is more than just pictures and words. It's a book that is full of memories that hold the key to your past. Everybody on the Indian Echoes staff hopes that you enjoy reading this book as much as we have enjoyed producing it. If you find a mistake in this yearbook, it was probably put there on purpose, because some people tend to look only for the mistakes!
